PROFESSIONAL SUMMARY

Front-End Developer with hands-on experience building scalable, high-performance web applications using React, TypeScript, JavaScript (ES6+), and Vue.js. Strong background in enterprise and banking projects, Agile/Scrum delivery, CI/CD pipelines, REST API integration, and maintainable component-based architectures. Focused on clean code, SOLID principles, performance optimization, and reliable cross-functional collaboration. Leveraging AI-assisted development tools to improve productivity, code quality, debugging, documentation, and development speed.

TECHNICAL SKILLS

Front-End Technologies: React (Primary), Vue.js (Secondary, Vue 3, Composition API), Next.js (SSR & full-stack React), React Native, TypeScript, JavaScript (ES6+), HTML, CSS, SCSS, Tailwind CSS, Material UI (MUI), Ant Design
State Management & Architecture: Redux, Context API, State Management, Advanced React Patterns, Component Architecture, SOLID, OOP, BDD, Unit Testing
APIs & Performance: REST APIs, API Integration, Performance Optimization, Responsive Design, Cross-Browser Compatibility
DevOps & Tools: Git, GitHub, GitLab, GitHub Actions, Jenkins, CI/CD Pipelines, SonarQube, Docker
AI-Assisted Development: Prompt Engineering for development workflows, AI-assisted code generation, debugging, refactoring, documentation, and rapid prototyping
Agile & Collaboration: Agile, Scrum, Jira, Confluence, Cross-functional Collaboration
Design Tools (Basic): Figma, Adobe Photoshop, Adobe Illustrator

PROFESSIONAL EXPERIENCE

KEY YAZILIM — *Front-End Developer / Frontend Engineer* (Nov 2023 – Jan 2026)

Projects/Clients: Halkbank (primary), public sector and major banking clients (including the Land Registry Directorate of Turkey) — valuation platforms (Invex, Hypotex, Propex)

- Developed enterprise-level real estate valuation web applications used by major Turkish banks.
- Built scalable, responsive, and cross-browser user interfaces with React and TypeScript.
- Integrated REST APIs and collaborated closely with backend teams to deliver production-ready features.
- Designed and implemented features using BDD, modern React patterns, and maintainable component architectures.
- Delivered releases through CI/CD pipelines with GitHub Actions and Jenkins within Agile sprint cycles.
- Improved front-end performance and load times through optimized component rendering and code refactoring.
- Increased code maintainability and reduced defects by applying SOLID principles and participating in code reviews.
- Worked effectively with Product, DevOps, QA, and Design stakeholders in Agile/Scrum teams.
- Supported reliable on-time delivery in fast-paced environments through strong communication, ownership, and collaboration.

FREELANCE — *Front-End Developer* (Mar 2023 – Jun 2023)

- Developed a full-featured e-commerce web application using React and JavaScript.
- Focused on performance optimization, responsive design, and usability.
- Integrated APIs and resolved backend integration issues.

TENOKS ARITMA TEKNOLOJİLERİ A.Ş. — *Web Development, Hardware & Network Admin* (Jan 2019 – Feb 2022)

- Managed and maintained corporate websites with WordPress, including content updates, structure improvements, and ongoing administration.
- Handled maintenance of company hardware devices and supported the operation, upkeep, and troubleshooting of network infrastructure.

FREELANCE — *Web & Mobile Development* (Nov 2016 – Dec 2018)

- Developed a mobile phone directory application using Android Studio, implementing core functionality with C++.
- Built simple personal and small business websites using HTML and CSS with Adobe Dreamweaver.
- Strengthened core web and mobile development skills through hands-on project delivery and continuous learning.

EDUCATION

Uludağ University — Bachelor's Degree in Computer Education & Instructional Technology (2011 – 2016)

Ahmet Çiçek Anatolian Technical High School — Web Technologies & Software (2007 – 2011)

CERTIFICATIONS

Advanced React Certificate — Scrimba (Jun 2025 – Dec 2025)

Front-End Developer Training Program — Techpro Education (2022 – 2023)

LANGUAGES

Turkish (Native) | English (Upper-Intermediate)
